

Thank you for choosing Cassellie...

At Cassellie we pride ourselves on our ability to offer high quality, durable bathroom products at extremely competitive prices.

The Cassellie team have over a century's experience in:

- Customer satisfaction
- Design and development
- Manufacture of products
- Sales and consultation

Our research and development team have ensured our products are at the forefront of our field, both technologically and aesthetically. We use cutting edge materials with tried and tested techniques which makes us unrivalled on quality and cost. Our extensive market knowledge and decades of combined experience has allowed us to produce an outstanding collection of bathroom products.

Ten year guarantee as standard...

At Cassellie we have a specific intention to combine the best quality design with affordability for all our products. Cassellie's products go through a meticulous testing process and we can offer a 10 year guarantee as standard on all our products.

We realise how important it is for our customers to have a product they can trust and rely on to stand up to the rigours of daily use. When purchasing from Cassellie you can rest easy, knowing you have a product which will stand the test of time.
